Experience

Assistant Editor (Freelance) - Seismic Productions, **Los Angeles, CA | Mar 2026-Present**

• Support editors on entertainment marketing campaigns, assisting with editorial preparation, project organization, and finishing prep using Adobe Premiere Pro.

Assistant Editor - Wild Card Creative Group, **Culver City, CA | Apr 2026-Jun 2026**

• Supported editors through editorial preparation, media organization, quality control, and finishing delivery in a high-volume theatrical marketing environment using Adobe Premiere Pro.

Assistant Editor - Workshop Creative, **WFH | Sep 2025-Feb 2026**

• Supported editorial teams across feature film, television, and animation marketing campaigns from ingest through final delivery.

• Prepared dailies, stringouts, timeline assemblies, exports, and delivery materials while collaborating closely with editors and producers using Adobe Premiere Pro.

Assistant Editor - X/AV, **Burbank, CA | Mar 2022-Jul 2024**

• Managed Premiere Pro editorial projects and Avid Nexis shared storage across 30+ concurrent marketing campaigns.

• Prepared turnovers, conforming, graphics overcuts, exports, and delivery materials while collaborating with editors, producers, and post-production coordinators.

Assistant Editor (Freelance) - *Burrow*, Feature Film, WFH | 2025-2026

• Ingested, synced, and organized footage using Avid and Resolve.

• Built stringouts and pulled selects for early editorial assemblies.

• Maintained project organization through cloud-based workflows to picture lock.

Post Production Technical Assistant (Part-time) - NYFA, Burbank, CA | Jul 2021-Present

• Provide technical support for Avid Media Composer, Adobe Premiere Pro, and DaVinci Resolve while assisting instructors and students with professional post-production workflows.

• Manage media ingest, transcoding, project setup, camera media organization, and quality control for post-production facilities.

Digital Imaging Technician (Contract) - Trifecta Film Productions | May 2025

• Manage on-set digital workflows including verified media backups, camera media management, synced dailies, color pipeline support, and post-production handoffs.

• Collaborate with cinematographers on LUTs, exposure, codecs, and image pipeline while maintaining media integrity throughout production.

Freelance Editor (Contract) - Trifecta Film Productions | August 2024

• Edit scripted vertical drama series from assembly through final delivery while collaborating directly with producers and clients on revisions, sound design, and final exports.

• Deliver multiple episodic projects on schedule while maintaining narrative continuity and platform delivery specifications.

Additional Software

Adobe Media Encoder • Adobe After Effects • Adobe Photoshop • Google Workspace
